*MadokaMagika FanBook #4
Cherish*

What made me most happy this year would be...
Ahhh...
So the year's going to end in under 4 hours...
I've had delicious food from your mom, so I'm quite satisfied.
SO WARM!
Kyouko! you're so plain!

By the way, are you sure it's okay for me to stay over tonight?
That's still on your mind? My parents said it was okay and for you not to worry!
Oh, okay...
EHEHE
And isn't it more fun spending new years together than by ourselves?
Yeah, you've got that right.
Grab
Plus I promised that we would go visit the shrine with Madoka and the others.

I bet they'll be wearing cute clothes too.
stare
Hey Sayaka ...
Ahh
What is it? If you want a tangerine then peel it yourself.
That's not it. I just noticed that you weren't taking the pith out.
Ah...

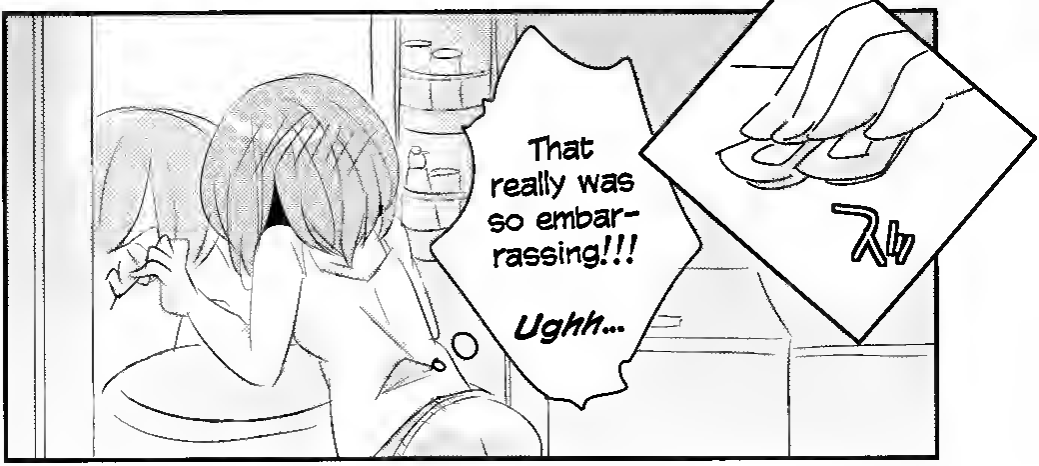
It's a pain to do it.
But you don't take them off either, right?
Yep, I don't take them off.
Hmm.
Hehe
I'm sure!! and Mami-san looks like the type to peel it for you.
Gya haha!! I can picture that!
enene
Madoka and the transfer student are definitely the type to take it off.
Or maybe Homura takes it off for her?
What's wrong with that? There's a bunch of nutrients in it anyway!
Hahaha
So it's just you and I who wouldn't take it off because it's annoying, huh...

So basically, the two of us get more nutrients out of these tangerines than the others do!
You're so goofy Kyouko!!! Acting all haughty over that!!
AHA-HAHA!!
HAHA!!
What's with you! Don't laugh at me!
Ah I forgot, my mom told me to get in the bath soon...
My stomach hurts!
Then hurry up and get in!

Should we get in together?
I guess you're right...
GET GOING...
Wha... Wha...
What are you saying!? Are you an idiot!?
Ahaha!! You're acting all shy, how innocent!
Wash
Wash
.....
Toge-ther?
Yep.
Besides...

FLUSHED
You're too defens-eless.
Think about that...
Even if you aren't interested in that, maybe... I am.
HMMM?
?
. . . .
OOMF
!?
Ah
You say some seriously embarrass-ing stuff...
I'll go alone.
Ah, don't eat all the tangerines!
See ya.

So Kyouko thinks about those kind of things...
Shuffle



That really was so embarrassing!!!
Ughh...
スル

Kyouko-chan, I'm out of the bath.
Hey you!! The tangerines!
hehe
YOU IDIOT!
Sorry, couldn't help it.

FWAA
Sayaka, thanks for the pajamas.
HMM?
Hmm?
What're you doing?
I was so bored that I started watching tv.
I almost fell asleep.
Is it interesting?
More so than I thought.

It's a special report on what made people most happy this year.
I wouldn't know what mine would be if you put me on the spot.
Hahaha
Yeah, me neither.
Ehh?
No way, you seem the type to be quick to decide.
That's not true.
There was so many things that made me happy this year.
Hmm?
For example?

I'm not telling you, Sayaka.
Ehh!?
Why not!? I wanna know!
Not saying.
Ehh hhh hH!!
Grrrr....
When you act like that...
Stare
?

Ehehe
Cuddle
TACKLE
Uea aa!!
What's with that...
You better hurry up and tell me or I'll do a little of this and a little of that!
What made me most happy this year is...
Hmm...

...
Ahh!!
T-there you go again, saying those shameful things!!
Seeee? It would've been better not to tell you, right?
Since the time is right, I'll go ahead and say this...
stare

Kyouko, the fact that you put all that into words for me... Makes me so happy.
B- because ...
Ahh...
It feels like...
you love me...
Nervous
Poof
Haha!! Stop getting flustered over what you're saying yourself!
So cute!
Jeez!
Shut up!!

...So like I said...
What made me most happy this year...
was ...
Fill

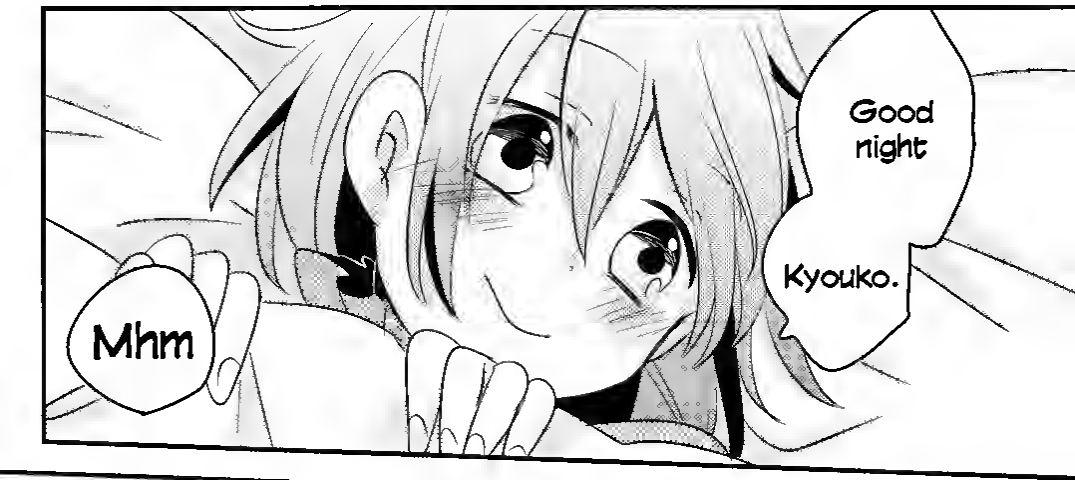
Haaaaa!?!?!?
T-the date changed ...
.....
AWAWAWA...
You scared me.
What's with you, out of nowhere?

AHAHAHAHAHA
PFFF
I was positive something would happen spending new years with you...
But I didn't expect this pun-cline!
HAHA!
Ahh!! My stomach hurts...
HAHAHA!
Let's have a nice year together!
Kyouko.
Yeah!
Let's have a good year.
Sayaka.

click
Ah!
Kyouko
I did mention this earlier...
BLUSH
You...
But my happiest moment this year would be...

Squeeze
Okay then.
WELL, YEAH...
You're a piece of work...
EHEHE
Isn't that something?



Mhm
Good night
Kyouko.

What made me most happy this year was...
Night, Sayaka.

Sayaka being together with me.
What made me...
most happy this year would be...

The end

どうも!ざわめきじゃんぼです!
今回はページの都合上によりあとがきのみです:
いまとっても眠いです。あとお腹が空きました。

今回はちょっと調子に乗ってるさやかちゃんが描きたくて、
さや杏っぽくしたくてこんな内容になりました。
「傍にいられたこと」と「傍にいてくれたこと」って
同じようで結構意味合いが違いますよね。
いろいろ伝わってたらいいな～と思います!

ちなみに私が今年いちばん幸せだったのはツイッターで
散々言ってますがさやかちゃんに出会えたことかな!!!

来年も変わらずこの2人をいっぱい描きたいな～と
思ってます!お幸せにね!!!
